

narrow leaf

A narrow leaf is used as an inspiration for this 66 cm long nickel plated steel serving tray, perfect for serving small bites or to use as a decorative piece in your interior.

On our quest for the best suppliers in the world, we sometimes run into designs we simply cannot resist. We did not want to withhold this Indian design treasure from you!

This Japanese style narrow leaf is handmade resulting in refinement and quirkiness at the same time.

material

nickel plated Steel
