squares collection

A stylish graphic pattern of squares is applied to a cushion cover and throw. Because the pattern is not perfectly linear it seems to be drawn by hand. The viscose rayon fabric comes in warm shades of brown.

The cushion covers are an excellent means to upgrade any new or “has been” sofa. The throw - besides being a charming decorative item on your sofa - is perfect to keep you warm on a cold winter night!

material

100% viscose rayon and 100% polyester

measurements (l/w)

throw 130 / 200 cm

cushion cover 50/50 cm

colours

throw warm shade of brown

cushion cover warm shade of brown

honour the past, cherish the present, explore the future
